

Sahara Club Mission Statement

It is the mission of the Sahara Club to provide a physical location for active members of Lycoming counties recovering community. The location will be safe, free of any mind altering substances, and dedicated to providing an atmosphere in which those committed to changing their lives for the better can meet for a variety of social and recovering purposes. The Sahara club is neither an affiliate of nor agent for any particular recovery program but requires as a condition of membership active participation in one of these programs.
